Absentees:	Arathy, Chiranjeevi		
MOM Prepared by :	Nikhitha		

Notes and Decisions

Topic

Project organization updates :

1) Team selected **Amey** as the git master

2) Team selected **Chiranjeevi** as the project leader for next 3 weeks

3) Team decided to use git issue for management of tasks

Research/Individual Task Updates :

1) TVM: Successfully installed the software. Findings will be discussed next week

2) Xilinx: Suprajit and Amey tried running the compiler and quantizer. Findings will be discussed next week.

3) OpenVino: Waiting for installation on cc frontend. Research about quantizer and examine source code to check for possibilities of deployment on stratix 10

4) Brainwave: Chiranjeevi and Adesh will conclude next week

5) Survey: Findings will be given in the next meetings.

Project decisions :

Team distributed few tasks to team members.

1) Adesh would research on: IO channels

2) Rushikesh and Nikhitha would research on: Datasets

3) Amey would research on: CNN models
